**Shabbat HaGadol**

**Tzav - צו**

**April 12, 2025 – 14 Nissan, 5785**

Tzav is the second portion in the Book of Leviticus. Moses is told to teach the Kohanim about the various offerings; i.e., the Olah (animal sacrifice), Minha (grain offering) and Shlamim (offerings brought by the people to ask for forgiveness, offer thanksgivings, fulfill a vow, or a voluntary gift). The Kohanim are given detailed instructions for each offering and the garments they are to wear.

In this Parasha, we also read of the anointment of the Kohanim and the entire Tabernacle. The Torah reading concludes with seven days of preparation and practice (rehearsal) for the Kohanim, before they begin the service in the Tabernacle.
