6th Day of Hanukkah—ד' דחנוכה

December 28, 2019—30 Kislev, 5780

Two years after the butler was reinstated to his position, Pharaoh has 2 dreams that are so disturbing that they awaken him. He seeks an interpretation to his dreams and is not satisfied with what his wise men and advisors tell him. The butler tells Pharaoh that there is a Hebrew young man in Pharaoh's prison who had a gift for interpreting dreams, because he was able to interpret his dream properly.

Joseph is rushed from the prison, given new clothes and appears before the king. He listens to Pharaoh's dreams and suggests that they have to do with the upcoming economy. There will be seven years of plenty and seven years of famine. Joseph recommends to Pharaoh how to administer the food during the years of plenty and the years of famine.

Joseph is appointed as the viceroy in Egypt and he puts into action a plan that would save food for the years of famine. He is given the daughter of Potiphar as his wife and he has two sons, Menashe and Efrayim. At the end of the years of plenty, a famine descends upon the entire region. There is no food anywhere else, except in Egypt because of Joseph's planning.

Any travelers who come to buy food must appear before Joseph. When Joseph's brothers come down to Egypt to buy food, Joseph recognizes them, but they do not recognize him. He accuses them of spying and places them in jail for three days. The Parasha ends with Jacob allowing his younger brother Benjamin to go with the other brothers to get more food.

On This Day: 30 Kislev

In 1970, nine Soviet Jews were convicted in Leningrad of hijacking a civilian airplane six months earlier. The hijackers were a group of Soviet refuseniks (one was a former military pilot) who tried to escape to the West, in order to avoid harsh Soviet discrimination against Jews. Even though the attempt was unsuccessful, and was followed immediately by crackdown on Jewish and dissident movement throughout the USSR, it drew international attention to human rights violations in the USSR and resulted in a temporary loosening of emigration restrictions. The accused were charged with high treason, punishable by the death sentence. Included in this group was Yosef Mendelevitch, who in 1981 was released and joined his family in Israel, where he became an inspiring figure in the movement for traditional Jewish values.
